or Threat of use of Nuclear Weapons**

The Forty Second Session of the Council of Foreign Ministers, (Session of Joint Vision to Strengthen Tolerance and Reject Terrorism), held in Kuwait, State of Kuwait, from 9 to 10 Sha'ban 1436H (27-28 May 2015),

Guided by the objectives of the Charter of the Organization of Islamic Cooperation which call for the consolidation of international peace and security on the basis of justice; and reaffirming its commitment to the purposes of the United Nations Charter in safeguarding international peace and security,

Deeply concerned over the existence of significant nuclear arsenals in the world which increase the possibility of the use or threat of use of nuclear weapons,

Taking into consideration the imperative to take effective international measures to ensure the security of Non-Nuclear Weapon States against the use or of threat of use of nuclear weapons, whatever their origin,

Recalling the resolutions and decisions adopted by the UN General Assembly at its 10th Special Session, held from 23 May to 30 June 1978 devoted to disarmament, especially its paragraphs 32 and 59 related to the effective arrangements to assure the non-nuclear weapon states against the use or the threat of use of nuclear weapons,

Recalling the Declaration of the UN General Assembly No.1653 of 24 November 1961 on the prohibition of the use of nuclear and thermo-nuclear weapons, which affirms that the use of such weapons is contrary to the spirit, letter and aims of the United Nations and, as such, a direct violation of the Charter of the United Nations,

Recalling the advisory opinion of the International Court of Justice of 8 July 1996 on the legality of the use or threat of use of nuclear weapons in which it expresses that use or threat of use of nuclear weapons would generally be contrary to the Rules of international law applicable in armed conflict and in particular the principles and rules of Humanitarian Law,

Underlining once again the unanimous conclusion of the International Court of Justice that there exists an obligation to pursue in good faith and bring to conclusion negotiations leading to nuclear disarmament in all its aspects under strict and effective international control,

Recognizing that effective measures through multilaterally negotiated legally binding instrument to protect Non-Nuclear Weapon States against the use or threat of use of nuclear weapons positively contributes to the non-proliferation of nuclear weapons and strengthen international peace and security,

Expressing its grave concern over the acquisition of nuclear weapons capability by Israel, which poses a serious and continuing threat to international and regional peace and security,

Also deeply concerned about the Israeli threats against peaceful nuclear installations of the OIC Member States, and also condemning the Israeli threats against the Islamic Republic of Iran;

Recalling the declaration and commitment therein made by Nuclear-Weapon-States to provide legally binding security assurances to Non-Nuclear Weapon States in accordance with their obligations under the Nuclear Non-Proliferation Treaty and other instruments,

Noting that Nuclear Weapon States have failed to provide credible assurances to Non-Nuclear Weapon States against the use or threat of use of nuclear weapons,

Noting the unanimous adoption of Resolution No. 984 by the UN Security Council as well as the Declaration issued by the Nuclear Weapon States in April 1995 on positive and negative security assurances for the Non-Nuclear Weapon States which are still inadequate to assure the Non-Nuclear Weapon States against the use or threat of use of nuclear weapons,

Noting also the adoption of the Comprehensive Test ban Treaty by the Resumed session of the UN General Assembly on 10 September 1996,

Expressing deep concern over the threat of use of nuclear weapons in general and against the OIC Member States in particular,

Also expressing deep concern over the Nuclear Posture Review by a certain nuclear weapon state in which some Member States are threatened to be targets of special types of nuclear weapons,

1. **Calls upon** all States, including those Members of the Conference on Disarmament, particularly the Nuclear Weapon States, to work urgently towards a multilaterally negotiated legally binding instrument to assure unconditionally Non-Nuclear Weapon States against the use or threat of use of nuclear weapons and to explore all additional means to provide effective assurances to Non-Nuclear Weapon States in the global or regional context. Pending the conclusion of such legally binding instrument, the Nuclear Weapon States should fully observe their existing obligations, and in this context calls upon the NWS to denounce unequivocally the use or threat of use of nuclear weapons against non-nuclear weapon states pending total elimination of such weapons;
