

## **SCHOLARSHIPS OFFERED BY THE TURKISH CYPRIOT GOVERNMENT**

The Turkish Cypriot Government has announced 20 scholarships under the Al-Haytham Educational Exchange Programme, starting from the fall semester of 2018-2019 academic year.

Pursuant to the scholarship offer, qualified students from OIC Member States may avail the opportunity to study at undergraduate (Bachelor), graduate (Master) and post-graduate programs in any of the participating universities listed in the following link:-

<http://www.mebnet.net/?q=FaydaliLinkler>

The scholarship application form and information notes on Northern Cyprus universities and the scope, terms and conditions of the scholarships are enclosed herewith. The scholarship offer **does not include Medicine, Dentistry and Pharmacy studies.**

The medium of instruction at the aforementioned universities is English. Applicants are therefore expected to be proficient in English or attend the English Preparatory School of the university they are enrolled at. However, study at the preparatory school should not, in any case, last more than one year.

Further information about the educational programmes of the universities are available on the websites of the respective universities mentioned above.

Applicants, who already have acceptance or conditional acceptance letters for year 2018/2019 from one of the universities listed above are eligible to apply, completed application forms, together with copies of relevant certificates and documents specified in the application form, must reach the OIC General Secretariat no later than **8 August 2018** at the following address:

*Mr. Mohamed A. Zaghoul/Mr. Sher Rehman,  
Department of Science & Technology,  
OIC General Secretariat,  
P.O. Box 178, Jeddah 21411

### **INFORMATION NOTE FOR STUDENTS RECEIVING TRNC STATE SCHOLARSHIP UNDER AL-HAYTHAM EDUCATIONAL EXCHANGE PROGRAMME**

#### **I. Scope of the TRNC State Scholarship:**

Scholarships granted by the TRNC to students from third countries (other than citizens of TRNC and Turkey) include tuition and dormitory fees. All other expenses should be met by the students themselves.

## **II. Admission requirements:**

1. Be graduate of a high school and of any equivalent secondary school;
2. Fulfil the admission and enrolment criteria as provided by the TRNC Higher Education Law (see attachment);
3. Provide documentation certifying the language proficiency required by the specific program of the university to be applied or to be successful in the foreign language examination to be held by the university itself.

## **III. The Scholarship Committee Meetings:**

1. The Committee Meetings are held twice a year, prior to the beginning of each semester. If necessary, the Committee may hold extra meetings.
2. All issues regarding the scholarship (i.e. evaluation of applications, extension/ termination of scholarships) are discussed and decided by the Scholarship Committee.
3. Students should forward any written request to the TRNC Ministry of National Education and Culture or to the Deputy Prime Ministry and Ministry of Foreign Affairs for the evaluation of the Scholarship Committee.

## **VI. Duration of Scholarship:**

1. Scholarship covers the fall and spring semesters.
2. Scholarship is valid only for the duration of the regular period of study.
  - a) For undergraduate education (bachelor degree): 10 semesters (including preparatory classes)
  - b) For graduate education (master's degree): 4 semesters (including preparatory classes)

(PhD degree) : 8 semesters (including preparatory classes)

## **V. Maintenance of Scholarship:**

1. Scholarship holders can register at a given university up until one month after the semester commences. Registrations after this period will be postponed to the following semester. If a scholarship holder does not register at a university within one year, the scholarship will be automatically cancelled.
2. a) A Scholarship holder who gets CGPA + GPA above 2.00 for a bachelors degree or CGPA + GPA 3.00 for masters and PhD degree may maintain his/her scholarship throughout his/her education.

- b) Following an evaluation at the end of each semester, students, who fail to maintain the above-mentioned averages, will receive an oral warning from the TRNC Ministry of National Education and Culture via the university.
- c) Undergraduate students whose CGPA and GPA are below 2.00 and graduate students whose CGPA and GPA are below 3.00 will be regarded as on probation.
- d) Scholarship holders who do not take minimum 3 courses for the undergraduate programme and 2 courses for the graduate programme will be regarded as on probation.
- e) Students who drop out or withdraw from some of their courses without the knowledge of the Scholarship Committee will be regarded as on probation.

Scholarships of students on probation can be extended for one more semester only. If scholarship holders are unable to meet the above-mentioned academic requirements, their scholarships will be automatically cancelled.

- f) In case of a poor academic performance (GPA and/or CGPA below 1.00), scholarship will be automatically waived without a written notice.
  - g) Scholarship holders who fail to attend the compulsory courses and receive warning or NA/ NG (non-attendance/nil grades) will get their scholarship terminated without a written notice.
3. Students only with the academic records indicated below can file their requests to the Scholarship Committee to attend the summer school:
- a) GPA of 3.00 or above and CGPA of 3.50 or above;
  - b) GPA of 3.50 or above and CGPA of 3.00 or above.
4. Transfer of scholarship students to another department/ university or leave of absence is subject to the necessary permission from the Scholarship Committee. If prior permission is not obtained, the scholarship will be terminated.
5. Scholarship holders who attend preparatory classes have to complete their classes successfully. Otherwise, the scholarship will be terminated without prior warning.
6. In the event of indefinite suspension due to committing any disciplinary offence; or conviction of a shameful offence by a student, the scholarship will be terminated without prior warning and the student will no longer be eligible for a scholarship.
7. If a scholarship holder gets a job with a regular income; his/her scholarship will be terminated upon the decision of the Scholarship Committee.

8. Scholarship holders who have graduated with an academic average of 3.00 and above and who opts to do a Master's or PhD program can apply to the Scholarship Committee for a scholarship.
9. Scholarship holders, who need to go abroad during the academic year due to unforeseen/pressing reasons, have to submit a written request to the TRNC Ministry of National Education and Culture and receive an approval from the Committee towards this end. Scholarships of those students who leave the TRNC without prior permission will be terminated.
10. The dormitory fees of scholarship holders staying in the TRNC during the summer months by necessity could be paid upon the decision of the Scholarship Committee, regardless of whether they attend the summer school or not.
